Reproducible Teaching Aids for Children's Chapel

The *Beyond Basics Resource Book* is a companion to the *Beyond Basics Director's Guide*. It contains some resources for each of the lessons. The director's guide refers to each of these resources with complete instructions for their use. It is best to copy each page and keep the original as a master copy.

The visuals and resource materials are identified first by letter. "Wiggle Buster" is identified as WB. "Real Life" is identified as RL. "God's Word in Me" (memory verse) is identified as MV. "I Made It Myself" (Craft) is identified as C. The next identification is the lesson number. The last number relates to its order in a specific section of the lesson. For example, RL 1-1 is the first visual for Lesson 1 Real Life.
