# TELL ME THE TRUTH

**Mark 1:1; Luke 1:1-4**

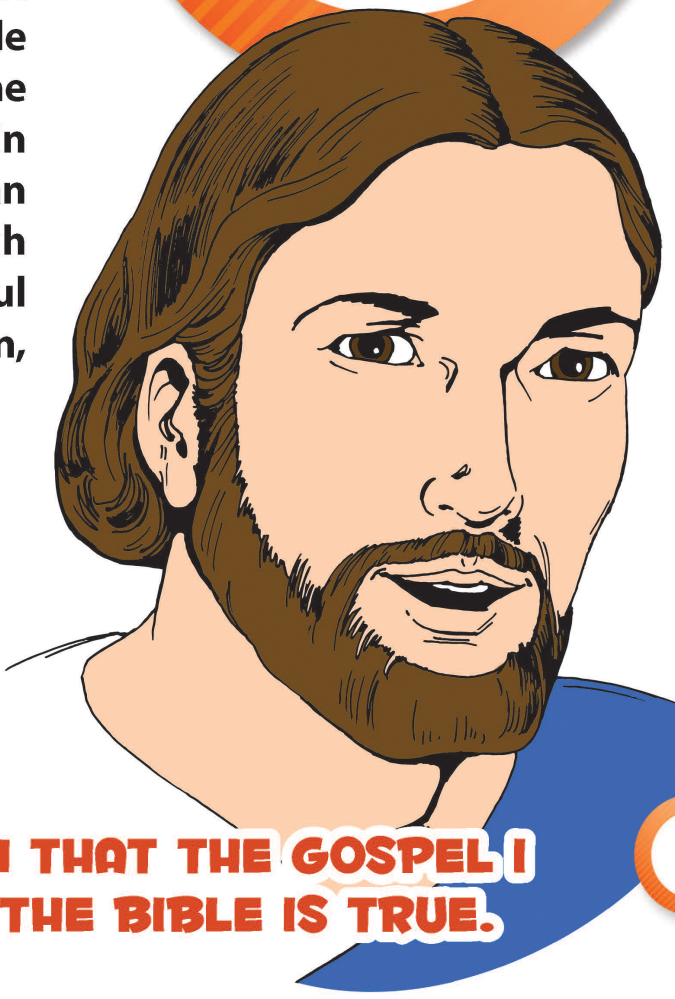

December 6, 2026 • Lesson 1

**Disciples who lived long ago spent a lot of time with Jesus. Some disciples wanted to make sure we knew the truth about Him, so they wrote about Jesus. We read about these truths in the Bible. One of the most important truths we need to know is that Jesus is the Son of God. God used these disciples to write the truths about Jesus. God wants us to know the Bible is true. The things we read about in the Bible are not fairy tales like we read in some books or watch on videos. We can trust everything God tells us through His Word, the Bible. We are thankful for God's Word and His precious Son, Jesus.**

# HE IS HERE WITH US!

**John 1:1-18**

December 13, 2026 • Lesson 2

Jesus (also called the Word) was with God in the beginning of time. He is the Creator of the world and all that is in it! He is also the Light of the world. When Adam and Eve sinned long ago, sin separated all people from God. God loves people so much that He made a plan to save them from the darkness of sin. He sent His Son from Heaven to be born as a baby with human flesh on the earth. Jesus did not come as a great king, and He did not come with an impressive show. Instead, Jesus was born a human—a tiny baby, just like we were born. He was called Jesus. He grew into a child, just like babies do. Then, Jesus became a grown-up, just like children do. He knows what it is like to live here on earth. Jesus is God, and He loves us so much that He wanted to be born a baby and to grow up on earth to die for us.

## REMEMBER GOD'S WORD

**"And the Word was made flesh, and dwelt among us."**

**John 1:14**

**I SHOULD NEVER DOUBT HOW MUCH GOD LOVES ME.**
