APPLY

Choose one or more:

- Cover an 8-ounce bottle of water in black construction paper (sin). Explain that God the Father is perfect, and He cannot look upon our sin. When we believe Jesus is God's Son and ask Him to forgive us, His blood covers us, and He takes away our sin (remove paper) so that we can have clean hearts for God (clear water shows purity that Christ provides). Once Jesus lives in our hearts, we can trust the Holy Spirit to guide us as we pray for God's direction in our lives. (Pour the red drink packet into the clear water to represent the influence of the Holy Spirit.) The Father, the Son and the Holy Spirit work together in our lives.
- Help students complete page 3 of the student leaflet to reinforce the truth of God's Word, the truth of the Trinity and the truth that we can trust Jesus is the Son of God.

TELL

Choose one or more:

- Explain that the lesson today helps us understand that God shows Himself in three ways: as the Father, as Jesus the Son and as the Holy Spirit. Three equals one! This can be confusing, but people who wrote the Bible made sure they shared everything they knew about God. We can trust God's Word and be certain that everything in it is true.
- Hand out the Tell Cards and share the activity on the back so the children will understand that they will be teaching a sort of math lesson this week.
- If there is time, have students model things they might do and say to their audience at home.

BONUS ACTIVITIES

- Play the I Am Certain Game described in the Share portion of the lesson.
- Play Hot Potato game by having students pass an object around. You can tell them to stop, or you can play and stop the music. The person holding the object can share one thing he learned in the lesson today.
- Learn the books of the Bible by memory. If your class has accomplished this, move on to memorizing the Ten Commandments or the Beatitudes.
- Work on memorizing one of the verses of the Roman Road.

SHARE

Show lots of excitement toward each child for being in class today. Express how everyone's presence puts a smile on God's face! Show the attendance chart and hang it on the wall. Each student will use a sticker from the sticker page to add to the chart each time he comes to class. Introduce the Roman Road to Salvation Visual.

Choose one or more:

- Place various items such as candy or a toy, that would create student interest together in a bag. Have the names of the items written on folded pieces of paper for the students to draw from a pile. Each piece reveals what one person is to get from the bag without looking. Before pulling it out, have the student say, "I have the…!" Ask, "Are you certain?" The student responds by saying, "I am certain," and then reveals the item to the others in class. Continue until everyone has had a turn. Conclude by sharing that God wants us to be certain about something special—Jesus Is God.
- Using your Bible as a visual, ask students what they believe about the Bible. Do they think what it says is true? Why or why not? Be sure to answer the question aloud for your students.

PRAY

Suggested Prayer:

Dear God, thank You for loving us. We love You, too! Your love is so great, that You sent Jesus to be our Savior. We are thankful that You came as Jesus to wash away all of our sin when we trust You. We also thank You for your Spirit who works in our lives to lead and guide us each step of the way. Help us to stay near You. In Jesus' name, amen.

Many people believe in God as a higher being, but if that is the culmination of their faith, these people are no better off than those who do not believe in God. God created everyone to be in a relationship with Him. To do so, each one must believe a step further into the truth—the truth that Jesus Christ is the Son of God! He is deity, and He came to earth in human form to die as the perfect and only sacrifice for everyone's sin. His death bridged the gap between God and mankind. However, once again we must cross that bridge in faith—faith that Christ can and will forgive our sins because of who He is. (See Acts 4:10-12.) Second Corinthians 4:6 confirms this by saying the glory of God shines in the face of Jesus Christ.

Today's lesson takes us to the gospel of Luke, which was expressly written to share all that Luke experienced and knew about Jesus. Luke writes these things to give us certainty of Jesus' existence and that He is, the Son of God. Jesus is God who came in perfect human form. Luke shared Jesus' ancestry, virgin birth and some of His childhood before moving deeply into His earthly ministry, which concludes with His death, burial and resurrection. With the mention of God the Father and God the Son, we cannot go further without mention of God's third entity—God the Holy Spirit. God's Spirit has moved and worked in the lives of people since the beginning of time. Jesus' baptism itself encompasses all three forms of the Heavenly Father. (See Luke 3:21, 22.) When Christ lives in our hearts, we have that same privilege and power of all three in our lives. What absolutely amazing love!

LEARN

Use Mark 1:1 and Luke 1:1-4 or the narrative on page 1 of the student leaflet to share the biblical account.

Choose one or more:

- Ask the children to name some of the fairy tales they know. They may be able to name the videos more so than the books! After sharing the titles and discussing what some of their favorites are, find Luke 1:1-4 in the Bible. Assist children who have their Bibles in finding the text. Explain that a fairy tale is a story written from someone's imagination. The characters, settings and events are not real, but they are fun to think about. Emphasize that God's Word (the Bible) is not a fairy tale. Read through the Scripture text or use the student version on page 1 of the student leaflet. You might ask for student volunteers to help with the reading of whatever text you choose to follow.

- Before class, assemble the Lesson 1 Learn Visual by cutting the visual out along the dark bold lines. Then fold along the dotted lines. Finally, tape the free ends together using the margins to create a trifold visual. After sharing today's biblical narrative, have every student look at one of his index fingers. Point out that there are three sections to a finger, but all of these sections work together to make that one finger work to its full potential. Much like your finger, God has three parts: the Father, the Son and the Holy Spirit. At this point, ask the students if they know the name of the Son—Jesus! Yes, Jesus is God! Share the Lesson 1 Learn Visual to provide a picture of what was just explained, then refer to page 2 of the student leaflet. Students will add the appropriate sticker to each picture representing an entity of God. Be sure to save the Lesson 1 Learn Visual for use in future lessons this quarter.

- On page 4 of the student leaflet, explain that in life, there are many things that come in three parts. Together, work to complete the labels for the objects at the top of the page (flower—petals, stem and leaves; apple—skin, apple and seeds). Using these analogies, move into the understanding of the Trinity—God the Father, God the Son and God the Holy Spirit. All of these entities are God. Lesson 1 Learn Visual can help with this explanation. Afterwards, have students complete the lower half of the page to match the visuals of God to the labels at the bottom of the page. Be sure to save the Lesson 1 Learn Visual for use in future lessons this quarter.

The first Christmas—what a night that must have been with the excitement and anticipation of the birth of our Savior. Mary was probably more concerned with giving birth than focusing on the fact that she was giving birth to her Savior and ours.

From the beginning, with the Fall of mankind, we can see Christ prophesied in Genesis 3:15. With His promise to crush Satan, God knew it would be by means of His Son's humbling Himself from the portals of Heaven to an infant body of flesh on the sin-cursed earth. This astounding gift of love and mercy set in motion the history of mankind looking toward the Messiah—the one and only sacrifice who would restore our fellowship with God. We are on the other end of that spectrum at our point in history, since the prophecy of Jesus' birth did come to pass a little over two thousand years ago, as promised. God is not only indescribable in His power and love, He is faithful and true in keeping His Word. Jesus Christ, God's only begotten Son, was born of a virgin, unmarked by sin and lived here on this earth among us. God's plan had a perfect time, perfect place and perfect purpose.
