It is a good idea to take these cards with you wherever you go. You may want to punch holes in them and tie them together with string or ribbon, or you could keep them on a key ring.

However you choose to carry them, remember to share their messages with friends and family whenever you can!

Use the Hue card to help students understand the steps of salvation and share the gospel with others.

LESSON 1
MEMORY VERSE:

"Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap."

Galatians 6:7

Pray that God will help you see the areas of your life where you need to more fully surrender to Him. Through Scripture, the Holy Spirit will convict you of where you need to change.

Participate in doing good. Maybe your church has a community outreach program in place. Or your parents could take you to a retirement home or to visit a shut-in church member. God wants every believer to go about doing good.
